ABOUT US & OUR TEAM

Bigapple, is a very well known brand in India and has become very popular due to its position as an undisputed leader in the material handling division and is amongst the most rated and reviewed product on various e-commerce websites, like Amazon. Our head quarters is in the heart of commercial district of Hyderabad. We have number of godowns and a large network for marketing in whole of India. We have our own offices, in Secunderabad, which is our headquarters, branches in Kolkata, Bangalore, Ahmedabad & Chennai to cater to our customers. We have a production facility with the latest machinery and a fully trained man power of 85 people out of which many are first class engineering graduates to take care of sales, stores, support, and other facets of manufacturing, support and distribution. We offer the best value for money for the buyer by selecting products with help of vast experience and knowledge of our CEO Mr. Prabhu Dayal Agarwal, keeping the least overheads, marketing through web and emails, thereby passing on advantages of all this to the buyer. In short Bigapple is a wonderful blend of old Indian values, hard work and dedication, experience, coupled with use of latest tools and technologies, working for buyer's benefit, and such a blend is hard to find anywhere else.
